OBJECTIVE

I have been working and studying in Montreal for a while now, and I feel that I am ready to leave the city I love for a whole new experience.

I am looking for a new source of inspiration which will make me grow up in a different way. What I want to accomplish, is to find how my art can speak to others.

EDUCATION

2004-2007 3 years bachelor degree program at **Université du Québec à Montréal** in graphic design.
2001-2004 3 years technical professional program at **Collège Édouard-Montpetit** in multimedia.

WORK EXPERIENCE

» See my online portfolio to view projects and clients.

2006-2007 1½ years as a web graphic designer at **Inpix**, a web specialized agency.
2003-2005 Many freelance works, listed below :

Flash programming for **PT50**
Webdesign at **Art Team Images**
Graphic design at **Siatris**
Graphic design at **Cloudraker**
Flash animations for **QuebecSiteWeb**
